

P2 S3 C1 Quality Policy

Version 1 – Publication Date 04/02/2008

POLICY STATEMENT

Our Quality Policy determines the process by which we ensure that the services we supply are consistent with our staff and stakeholder requirements, national training standards and applicable legislation. All employees should familiarise themselves with our Quality Manual that relates to this overview.

Our purpose for authoring a Quality Policy is to:

1. Ensure all our training courses and other services conform to or exceed staff and stakeholder requirements and have been documented,
2. Meet quality standards as laid out to ISO 9001:2008,
3. Make certain that all employees and contractors are made aware of this standard, receiving any necessary training to ensure this programme is effectively operated and continually improved upon,
4. Provide our staff and stakeholders with reliability in terms of Quality, Cost and Delivery,
5. Focus the company's functions on retaining satisfied stakeholders and their business,
6. Commit to a process of continual improvement of our Quality Management System, achieving this through annual Management review and through our quality objectives,
7. Deploy a continual improvement philosophy throughout the company in compliance with the ISO 9001:2008 Quality Management Systems Standard.

DEFINITIONS

Quality; the International Organization for Standardisation (ISO) defines quality as the “totality of characteristics of an entity that bear on its ability to satisfy stated and implied needs.”

SCOPE

This policy applies to employees, contractors, consultants, temporaries, and other workers, including all personnel affiliated with third parties and all parties should familiarise themselves with our Quality Manual that relates to this overview.

POLICY CONSIDERATIONS

All our training courses and other services conform to or exceed our customer's requirements which have been documented. Our quality programme is based on QQI Quality Assurance and ISO 9001:2008 standards and all employees and contractors are made aware of this, receiving any necessary training to ensure programmes are effectively operated and continually improved upon.

It is our intention to provide our learners with reliability in terms of quality, cost and delivery, enabling us to retain satisfied customers and their valued business. This is the responsibility of all company functions and involves every individual employee.

We are all committed to the continual improvement of our Quality Management System. This is achieved through the annual management review and through our quality objectives will be established and achieved. A continual improvement philosophy is deployed throughout the company in compliance with the ISO 9001:2008 Quality Management Systems Standard.
